Parent Teacher League

Together we can make a difference!

St. Paul's students need you...here's how you can help!

What is the Parent Teacher League? The PTL is a group of parents and teachers who help to build a closer relationship between the families at St. Paul's by providing family events and opportunities to fellowship. We are able to assist the classrooms by providing funds to purchase additional educational items that wouldn't normally be possible, that's where our fundraising comes in.

Who can be a part of the Parent Teacher League? All parents of the students at St. Paul's, Pre-school through eighth grade.

How can you get involved in the Parent Teacher League? Easy! Every parent is encouraged to add their special talents to the group. There are lots of ways to get involved, such as joining us at the monthly meetings to help in planning our years' activities, volunteering at one or more PTL events, and participating in the PTL fundraisers, just to name a few!

Are there fees involved to be a part of PTL? No!

Is this a club that you have to join? No!

When does the Parent Teacher League hold their meetings? Meetings are held one Monday each month, except December, from 6:00-7:00 pm in the school cafeteria. See the Meeting Schedule for dates.

What if you can't make the meetings? No worries. Parents can still be involved by volunteering their time at one of our events and supporting our fundraisers.

How can you get more information about the Parent Teacher League? If you'd like more information, have a question, comment, suggestion or would like to get involved contact Jen Wilken, PTL President at 815-939-2434 or jenwilken@prodigy.net
